## Adjustment of air navigation charges and landing fees

Dear Sir/Madam,

In accordance with the Swiss Federal Ordinance on Air Navigation Services (SR 748.132.1) and the Swiss Airport Charges Regulation (SR 748.131.3) we herewith inform you about the planned adjustment of the ATC-fees and Landing-fees as of 1<sup>st</sup> January 2026, as follows:

### Approach charges

In accordance with Art. 29 (4) VFSD, we are obliged to increase the ATC-fee by 8% to reflect inflation.

### Approach charges

## Landing Charges

The last fee adjustment was more than 20 years ago. A 10% adjustment in landing-fees is necessary to reflect increased operating costs. Over the last two decades, the costs of staff, maintenance and infrastructure have increased significantly.

### Landing Charges

#### \*Definition of VFR training FLT's

- Training FLT's must be attended or supervised by a FLT instructor or inspector;
  - Training FLT's are neither to be used for commercial purposes nor for the carriage of passengers or goods
- All tariffs are exclusive of VAT

If required, Bern Airport will gladly provide you with further documents. The consultation procedure will start 8<sup>th</sup> August 2025 and last until 15<sup>th</sup> September 2025. Any comments or statements shall be addressed to:

Flughafen Bern AG  
Tariffs  
Flugplatzstrasse 31  
CH-3123 Belp  
Email: buchhaltung@bernaairport.ch

At the end of the consultation period, the adjustments will be published in the Aeronautical Information Circular (AIC). Thank you in advance for accepting this adjustment.

Yours faithfully,

Flughafen Bern AG – Bern Airport

Urs Furrer  
CEO

Martin Leibundgut  
CFO
